## From the Head of Education

Welcome back to Term 3, 2017!

As you will see from this edition of the Oakwood News, the first weeks of the new semester (the last weeks of Term 2) were very busy, lots of fun and very productive. Many thanks to all the teaching and administrative staff, to all the community volunteers and to the students for such successful events!

As you are aware, we open Term 3 with the parent and student information session (compulsory for Year 10 students and optional for Year 11 students) regarding the TCE and important subject preferences information. On the list of dates in this publication and in the School Calendar (which you will receive with the Communique), you will note the following events:

Wednesday 26 July	Senior Secondary Subject Meeting 1	Via VC, commences at 3.15pm
Thursday 3 August	Senior Secondary Subject Meeting 2	Via VC, commences at 3.15pm
Friday 4 August	Pathways Planning Meeting	Launceston Campus
Monday 7 August	Pathways Planning Meeting	Hobart Campus
Tuesday 8 August	Pathways Planning Meeting	Devonport Campus
Monday 14 August	Senior Secondary Subject Selection due for finalisation	

The information sessions and the Pathways Planning Meetings are vitally important for all students currently in Years 10 and 11 and their parents/carers as they focus on the subjects on offer for Senior Secondary Students in 2018 the processes involved in subject selection at Oakwood School, and together with the forms being submitted, meet the requirements for the TASC Pathways Planning aspect that is a compulsory component of gaining a TCE. I look forward to meeting with each of you through this process.

All the staff will meet on Monday 24 July in Hobart to learn more about the use of data to improve learning, the ways in which Education Perfect can be used to support learning and to work on curriculum, assessment and the use of both Canvas and Virtual Classrooms. We expect to be able to send out to all families a revised set of Assessment Planners following on from this day.

With all the staff at Oakwood, I look forward to welcoming back the students on Tuesday 25 July with a brief Full School Assembly via VC in Lesson One and with a renewed emphasis on us all becoming an inspired and dedicated team focused on developing students of integrity who are high achievers, self-directed and career ready.

Mrs Ann D. Moxham

##### **Friday 4<sup>th</sup>**

Pathways Planning Mtg L Campus

##### **Monday 7<sup>th</sup>**

Pathways Planning Mtg H Campus

## MUSIC

# THE ARTS: & VISUAL ART SUBJECT UPDATE

### FROM THE HLA THE ARTS

During Semester One, practical music tuition and small ensembles have continued to be the main thrust of the Music programs at the three Oakwood campuses in Tasmania, i.e.; Launceston, Devonport and Hobart.

But at the same time, the broader Australian music curriculum has continued to be followed at all three campuses. I acknowledge the excellent work of Louise Schaap in Devonport and Sandra Rein at Launceston for their thoroughly professional work, acting on behalf of the regular Music teachers at those two campuses in term two.

In Hobart, there has always been a greater emphasis on the Wind and Brass program, mainly because that campus has been more adequately resourced with woodwind and brass instruments and the teacher-in-charge brings extensive experience and expertise in that area of music education.

However, there has been a change of focus during term two, which has seen the contemporary genre beginning to co-exist with the more traditional approach to the practical activities amongst the secondary grades. This change has been welcomed and embraced wholeheartedly by the Hobart secondary students. Meanwhile, the primary students have continued to engage very productively and enthusiastically in the introductory course on wind and brass instruments.

The weekly Primary Choir program has continued to operate with excellent results – the emphasis has been on Australian Choral literature during the first part of the year.

All of the practical work this year to date, has been designed to prepare the students across the three Oakwood campuses for the annual 'Profile of the Arts' Day, where examples of all the students' products will be showcased in what has become an Educational Arts extravaganza, to which all the Community will be invited to attend again – this year it will be hosted by the Launceston Campus on Friday 22<sup>nd</sup> September.

I take this opportunity to wish all of my colleagues and students from across the OneSchool network, a rewarding and productive second Semester.

*Layton Hodgetts (HLA the Arts Oakwood – Music teacher  
Hobart Campus)*

## ART AT THE HOBART CAMPUS – MS T. AHLUWALIA

### Primary Art (4-6)

This Term, the Year 4-6 students have embarked on a project that discovers the techniques and processes of Greek Pottery. They were instructed to use paper mache as a recycled material (made from paper and glue) and construct a real-life Greek Pot. They incorporated traditional and their own modern designs as part of this project.

Banyan Tree – 7/8

Gemstone Watercolour – 7/8

### Year 7/8 Art

This Semester, students in Year 7 and 8 at Hobart have been involved in a series of projects that have looked at the elements and principles of Art and Design. They have looked at techniques for blending pencils and using a silhouette to emphasise shape in a Banyan Tree artwork. They have also looked at creating their own lines in a Zentangle artwork. During this, they looked at how meditation through drawing can decrease worry – especially during exam time!

Zentangle Artwork – 7/8

Painting to music – 9/10

### Year 9/10 Art

This Semester, Years 9/10's have been exploring Abstract Art in relation to a number of contemporary artists. They have been introduced to traditional methods of painting and incorporating this in a creative and unusual way. They have looked at painting to instrumental music to orchestrate an artwork that shows emotion. Students learned about synaesthesia – where some people can see colours and shapes that resemble what they hear, and vice versa.

Students have also looked at how repetition can be created by designing a repeat pattern artwork mimicking wallpaper. More recently, they have embarked on a resin painting artwork that has encouraged them to look at movement and display this in an abstract form.

Resin Painting – 9/10

Repeat Pattern – 9/10

# 30<sup>th</sup> June – RRT Day and Primary Heart Foundation 'Jump Off'

The 30<sup>th</sup> June was a big day for Oakwood, with the much anticipated Primary 'Jump Off', which was organised as part of the Primary School's challenge to raise as much money as possible for the Heart Foundation; and the 'RRT Day', arranged by the Student Leadership Team, to also raise money for the Rapid Relief Team. So far the Primary School has raised over \$1500 for the Heart Foundation, and counting!

# YEAR 10 & 11 MELBOURNE DAY TRIP – 3 JULY

On Monday 3<sup>rd</sup> July the Year 10 and Year 11 classes travelled to Melbourne and visited the Holocaust Museum, where they were shown a documentary, viewed the displays in the Museum and met with Holocaust survivor Lusia, who was eight years old when the Germans marched into the Polish city of Lodz where she lived with her parents. Lusia survived the Warsaw Ghetto, Auschwitz and Bergen-Belsen. She told the students of her very sad story and answered their questions.

## HOLOCAUST MUSEUM

# CAPTAIN COOK'S COTTAGE

Following this the students paid a brief visit to Cook's Cottage, a cottage in Fitzroy Gardens that was built by Captain James Cook's father, though Captain Cook never lived in it himself.

The final visit of the day was to Melbourne Sealife Aquarium.

It was an enjoyable and interesting day, and all the team played well with impressive behaviour all round!
